#### Mastering

Greetings all DubArkers & Visitors !

While Iman visit my Family I discovered dat over de small pc speakers we use here one can hardly hear de bassline (but I never had a problem like dat over small mp3-player-headphones or my stereo at home). How can I master de sound properly ?

Give thanks for any feedback...

#### Greetings to de DubArk Massive & Crew !

Tru incidenshal intawenshan Iman became aware of di DubArk and am proud to join di community today and wish love & security to all involvers. Itation, commercial success as well as anti-sellout-blessings shall be around us all. One Earth!
